Prezidentimizning 2019 yilda Surxondaryo viloyatiga ташрифи давомида Sulton Saodat majmuasini obod qilish bo'yicha ko'rsatmalar berilgan edi. Mazkur topshiriqqa asosan majmuani to'liq qayta rekonstruksiya qilish, zamonaviy masjid, kutubxona, kichik markaz va mehmonxona bunyod etish, katta va go'zal ziyyaratgohga aylantirish bo'yicha loyihalar ишлаб чиқилиб amalga oshirilmoqda.

Bugun viloyat hokimi Ulug'bek Qosimov Sulton Saodat majmuasida bo'lib, hududda qurilayotgan 1000 o'rinali masjid bilan tanishdi. Hududni obodonlashtirish, masjidda

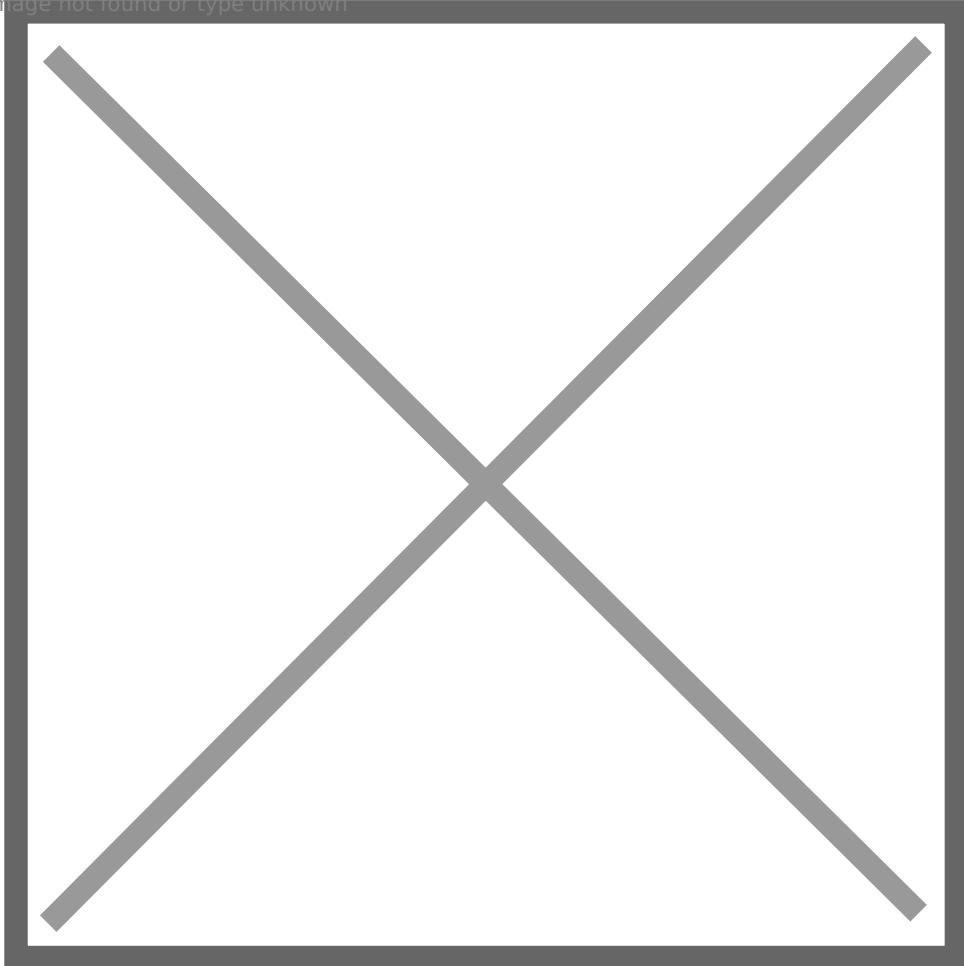

ibodatni ado etishga keluvchilar uchun barcha zarur sharoitlar yaratish yuzasidan ko'rsatmalar berildi.

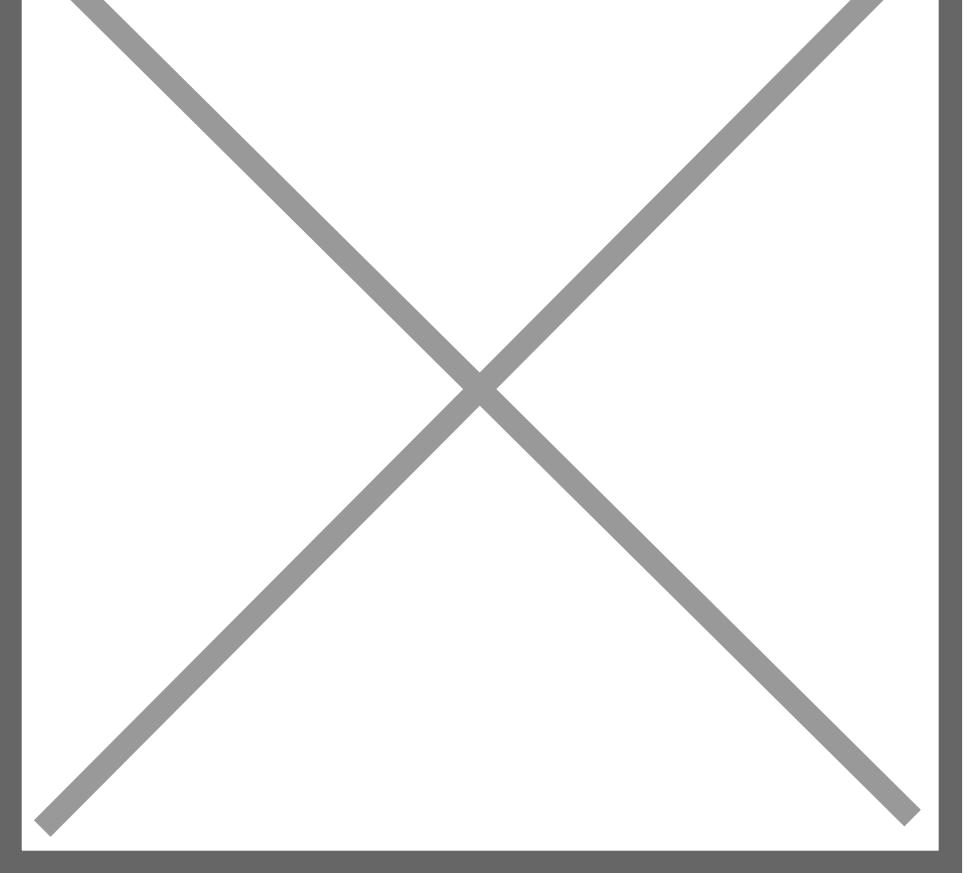

Shundan so'ng viloyat rahbari mutasaddilar va diniy soha vakillari bilan Sulton Saodat majmuasini ziyyorat qildi va Qur'on tilovat qilindi.

Ma'lumot uchun: Ushbu qadamjo X-XVII asrlarga mansub maqbaralar majmuasidir. Bu yerda payg'ambarimiz Muhammad alayhissalomning qizlari Fotima onamiz va Hazrat A'ning beshinchi avlod bo'lgan Sayyid Hasan al-Amir mang'ulasi Sulton Sodot, ya'ni "Sayyidlar sulton" deya atagan qo'nim topgan. Shu bois arofiga A'ning avlodlari va boshqa sayyidlar dafn etilgan. Keyinchalik maqbara
